Plans Complete For Feb. 5 Clinic At Fair Grounds

A Corn and Soybean Clinic is scheduled for farmers in this area on Friday, February 5, in the 4-H building from 9:30 a. m. to 3:30 p. m., at the Putnam County Fair Grounds.

This conference is sponsored by five leading agricultural affiliated companies to inform farmers of the progressive ideas in modern farming. Each participating company has selected an expert in this field to present a brief program.

Participants include: Allis-Chalmers Manufacturing Company, Amchem Products, Inc., DeKalb Agricultural Association, Shell Chemical Company and Smith-Douglass Fertilizer Company.

Topics for discussion are tillage, plant populations, Fertilizer prescriptions, weed control, insect control and harvesting. The all-day comprehensive meeting will include lunch.

Interested persons should mail in the attendance coupon which will appear with the Corn and Soybean Clinic public announcement.

Camp Atterbury Will Be Center

EDINBURG UPI — An urban job corps center costing \$10.8 million the first 18 months will be established at Camp Atterbury under a contract with the federal government. President Johnson announced Sunday night.

The center, with a capacity of 2,600 high school dropouts between 16 and 21, was a long-time dream of Indiana officials. It was tentatively scheduled to begin operation by March.

The state already operates a similar training center on the mothballed World War II Army training site near here. About 300 youths are being trained in the state-supported program while doing conservation work.

The new federal center will be operated by the Midwest Education Foundation, Inc., in contract with the federal government and in conjunction with Indiana University and Adler Educational Systems, New Rochelle, N. Y.

Rites Wednesday

KANKAKEE, Ill. UPI — Funeral services will be conducted Wednesday for Mrs. Dorothy Hammes, 61, a prominent real estate developer and international philanthropist who died Sunday.

Installation of officers of Temple Lodge No. 47 will be held Tuesday January 19th, at 7:30 p. m. Public invited. Bruce Albright, W. M. Elect

Storm Is Blamed For 21 Deaths In Indiana

By United Press International

The worst winter storm of the season roared across Indiana during the weekend, packing death, misery and isolation a house at Mixerville where a mother and five of her eight children died in a fire.

Twelve inches of snow whipped into ear-high drifts by winds that reached 50 miles

per hour left roads impassable and stranded hundreds of motorists and kept fire units from a house at Mixerville where a mother and five of her eight children died in a fire.

The deaths of at least 21 persons were blamed, at least in part to the snow and bitter cold. Temperature fell to record depths Saturday night and early Sunday morning. Indianapolis recorded 10 below zero, a record for the city. South Bend equalled the mark and all reporting Hoosier stations recorded lows below zero Sunday.

By early today, state police reported all major roads open but secondary roads in central and southern Indiana impassable in many cases. In all cases, travel was hazardous as car-whipped snow turned to slush and froze, glazing highways that were not blocked by drifts.

20 Years Ago

Warren Tucker left for Canada to report back for duty with the Royal Canadian Air Force.

Mrs. Mary Jane Black received word that her husband, Gifford Black, had been transferred from France to a hospital in England where he was convalescing from trench fever.

Stanley Young was a war correspondent with the Air Force in Europe.

Mrs. Lane Dies At Mt. Meridian

Mrs. Louise Lane, 52, passed away in her sleep early this morning at her home in Mt. Meridian.

She had not been in the best of health in recent weeks but her death was unexpected.

The deceased was born in Indianapolis on April 16, 1912, the daughter of Chester and Marie Sallust Hunt.

She is survived by her husband, Herbert Lane; two daughters, Mrs. Linda Parrish and Mrs. Sharon Allee; three sons, Herbert, Jr., William Sullivan of Phoenix, Arizona; Charles Sullivan of Indiana; two stepsons, Bob Lane of California and Jerry Lane of Plainfield; her mother, Mrs. Hunt, Mt. Meridian; an aunt, Mrs. Helen Zeis, city; and other relatives.

Services will be held at 2 p. m. Thursday at the Rector Funeral Home with burial in the Stilesville Cemetery.

Friends may call at the funeral home after 2 p. m. Tuesday.

Infant Dies

Pamela Sue Sutherland, one-day-old daughter of Mr. and Mrs. Noble E. Sutherland, of Fillmore, passed away in the Putnam County Hospital this morning.

She is survived by the parents; four sisters, Deborah Jean, Marcia Kay, Diane Lynn, Janet Marie; the paternal grandparents, Mr. and Mrs. Abe Sutherland, Greencastle, and the maternal grandparents, Mr. and Mrs. Elliott Ensor of Bainbridge.

Graveside rites will be held at 11 a. m. Tuesday in Forest Hill Cemetery.

Grandson Dies

Mrs. Suzie Siddons, 302 South Indiana Street, has received word of the passing of her grandson, James Randall Cooper, age 7, at the Ft. Logan Military Hospital, Saturday January 16th. He was the son of Sgt. and Mrs. James J. Cooper.

Services will be held at the Chase Mortuary, Aurora, Colorado, Tuesday January 19th at 10 a. m. Burial will be in the Fort Logan Military Cemetery.

Survivors are the parents and one brother Scott.

Scientist Dead

PATTERSON, N. J. UPI — Dr. Sidney A. Gladstone, 61, who discovered the sponge-biopsy test for detecting cancer, died Sunday of a heart attack. He was a professor of pathology at the New York Polytechnic Medical School and Hospital and a resident of Patterson.

Bywater said it would take up three weeks to re-construct the aircraft. First phases of the investigation indicated there was no fire or explosion in the aircraft prior to the crash.

Defect To West

BERLIN UPI — Two East German border guards Sunday night forced a third Communist policeman to ferry them at gunpoint across a lake to freedom in West Berlin.

Western officials said the two escapees, a 19-year-old sergeant and a 21-year-old private, commanded a patrol boat and ordered its driver to cross the Niederneudorfer Lake.

The man at the wheel was allowed to return to the East German side of the lake.

Top Reds Meet

WARSAW UPI — The new masters of the Kremlin and their East European allies were arriving here today for a summit meeting which might produce major developments in East-West relations.

Soviet Premier Alexei Kosygin and Communist First Secretary Leonid Brezhnev, accompanied by Defense Minister Rodion Malinovsky and Foreign Minister Andrei Gromyko, were due here from Moscow after a two-day journey, which was shrouded in secrecy.

LBJ Authorizes 88 New Projects

WASHINGTON UPI — President Johnson has announced another advance in his war on poverty — authorizing 88 new projects for 33 states and Puerto Rico.

The projects will cost \$101,960,782. They will include the first loans to help poor farmers and creation of a nationwide network of summer jobs to assist high school students who want, but cannot afford, to return to school each fall.

Johnson announced this third batch of "war on poverty" projects Sunday, a few hours before he flew back to Washington from his Texas ranch.

Since Congress authorized \$784.2 million for Johnson's anti-poverty campaign, the administration has approved nearly 400 projects in every state at a cost of \$221 million. Johnson has said he will ask Congress to double anti-poverty funds in the coming year.

The President, noting that the anti-poverty program was signed into law only 101 days ago, said in a statement: "We have brought nearly 400 transfusions of new opportunity to disadvantaged Americans in every part of this land. We have made a major and significant beginning to throttle want and elevate hope."

In the latest projects the Agriculture Department said 11 anti-poverty loans will be made to help low-income rural families in 10 states raise their incomes and better their living standards. They will cost \$24,970.

The "neighborhood youth corps" projects, scheduled to start this summer, will provide up to 32 hours of part or full-time weekly work for 50,000 high school students. Operated by the Labor Department, the new program will cost \$200 million. No locations have been determined yet.

Also announced were four new youth corps projects in New Jersey, Massachusetts and Ohio, totaling \$2,650,000, to provide part time jobs for youths in school and training for those out of school.

House Demos OK Committees

WASHINGTON UPI — House Democrats meet today to approve a slate of committee assignments that will underline their better than two-to-one control over the chamber.

The meeting of the 294 Democratic representatives is expected to ratify without challenge the assignments made last week by the committee on committees.

The assignments will place 71 new Democratic members on standing committees and make numerous changes in assignments requested by returning members.

Dixie Is Chilled By Cold Wave, East Is Also Hit

By United Press International
Record-breaking, bone-chilling cold gripped the East of Dixie today while a new blizzard spread fresh snow through the Northeast.

Californians were enjoying June in January. Hundreds of thousands of persons streamed to the beaches in mid-80 degree weather.

The blast of polar air sent the temperature falling to 39 degrees today at Miami, Fla., setting an all-time low. Tallahassee was shivering in 19-degree temperatures before midnight and Tampa was below freezing.

The weather bureau said it was receiving reports of heavy frost from the Tampa Bay area.

Up North, new snow swept across the eastern Great Lakes states and into the northern and central Appalachians. Amounts were expected to be considerably lighter than the weekend blizzards which tied up traffic and marooned countless persons across the Northeast.

New York City threw 3,500 Sanitation Department workers into the battle against the weekend storm which deposited 5 inches of snow in the city. The temperature got no higher than 16 above Sunday and many New Yorkers took advantage of the winter weather to go ice skating.

Up to a foot of snow was on the ground in parts of Massachusetts, Rhode Island, eastern Virginia and northern North Carolina. The storm stranded 700 motorists at the intersection of Interstate 74 and 465 near Indianapolis, Ind., where high winds swept snow into six-foot drifts.

The four-inch snowfall in Cleveland, Ohio, cost Lloyd's of London a cool \$6,000. The National Swimming Pool Institute opened its convention in Cleveland and had an agreement with the London insurance firm that if more than two inches of snow fell Lloyd's would pay \$6,000.

The Communist organ Pravda declared over the weekend that U. S. and South Vietnamese "provocations" against the Hanoi regime threaten "the outbreak of a big military conflict."

Soviet press reports said three U. S. jet planes strafed North Vietnamese territory and that American forces had given cover to a South Vietnamese raid against the North.

The Communist organ Pravda declared over the weekend that U. S. and South Vietnamese "provocations" against the Hanoi regime threaten "the outbreak of a big military conflict."

Oldest Citizen Dies

HOPKINTON, Mass. UPI — Mrs. Charlotte M. Dempsey, 103 oldest resident of this central Massachusetts town, died Sunday at her home. She was born here Oct. 23, 1861.

Capital Mecca For Politicians

WASHINGTON UPI — Democratic politicians from every state of the Union poured into the capital today to celebrate their election victory with a three-day bash culminating Wednesday in the inauguration of President Johnson.

For their entertainment, officials planned the most lavish and expensive inaugural festivities in history, beginning with a "reception for distinguished ladies" at the National Gallery of Art this afternoon.

LBJ Sends Defense Message To Congress

WASHINGTON UPI — President Johnson will spell out the national defense goals of his administration today in a long special message to Congress.

He was expected to emphasize basic policies of strength second to none but wielded with restraint and economy where possible without hurting military power.

White House Press Secretary George Reedy said the message would describe the "goals, aims and objectives" of the U. S. defense program.

He gave no other clues to content of the statement, which precedes by one week the submission to Congress of the new federal budget with its detailed blueprint of armed forces plans.

The budget is expected to call for military spending of \$49.1 billion in the year starting July 1 — a slight cut from this year.

The continuing crisis in Southeast Asia was a dominant factor in military concerns as finishing touches were put on the presidential message Sunday.

But there was no indication at that time to what extent Johnson might discuss South

Viet Nam, where about 23,000 American military men are serving, or Laos, where U. S. planes have engaged in reconnaissance and in bombing raids on pro-Communist forces and their supply lines.

Weather Cloudy, Cold

Partly cloudy and cold today with northwest winds 20 to 30 miles per hour. Fair and cold tonight. Increasing cloudiness and continued cold Tuesday. High today mid 20s. Low tonight near 5 above. High Tuesday mid 20s.

Outlook for Wednesday: Variable cloudiness and continued cold with snow ending north.

DEPAUW COMPUTER 2 YEARS OLD

While staff members of DePauw University's Computer Center oblige Professor Robert Thomas by Think-ing about how old the computer is, Hubert Smaltz, left, flashes a knowing "two" to the cameraman. An edible replica of the \$100,000 computer sits in front of the group which appropriately marked the second anniversary. The 1620 digital computer is an integral part of the university's undergraduate curriculum and handles, with its related equipment, most of the college's registration, grade reports and bulk addressing. The machine also has been put to work on student and faculty research and frequently operates around the clock on an "open shop" basis. DePauw acquired the computer by means of an educational contribution of 60 per cent of the cost from International Business Machines plus a \$19,500 grant from the National Science Foundation. Thomas is director of the Computing Center and Smaltz is assistant director. Other staff members pictured include Bob Williams, next to Smaltz, Joan Stevens, Marilyn Swisher, Dale Detro, and David Storm.

Editorial-Wise

Birthday Congratulations

Our heartfelt congratulations are extended to Mrs. Ida Day of rural Fillmore. This well known lady was 92 years young Sunday, a feat that not too many people have or will experience. She has certainly exceeded "three score and ten," the life expectancy looked forward to by most everyone past middle age. Mrs. Day is very alert and spry and keeping her home "spic and span" is one of her main objectives in the twilight of her years. Happy Birthday, Mrs. Day, and may you enjoy many, many more, with your sons, Charles and Wilbur.

A Friend Has Left Us

In the sudden and unexpected passing of Aaron Arnold we, as well as many others, have lost a good friend. "Cuddy," as he was called by everyone who knew him, was a substantial citizen and most conscientious in his position as Putnam County Sanitarian. His efficiency in this job is evident in the fact that he served in this capacity for several years. Quiet and unassuming, "Cuddy" was the kind of man that will be missed in this community. He will also be missed by American Legion Post 58, the Fillmore Masonic Lodge and the local Elks. We extend our deepest sympathy to Gail, his loving wife, and to his brothers, Earl, Carl and Lois.

Who Said "Winter Wonderland?"

The past weekend was far from a "Winter Wonderland" for the majority of the people in this community, especially the adults. Now the youngsters probably enjoyed the deep snow, as we once did, years ago. But to those truck drivers, bus drivers and motorists who had to be out it was far from enjoyable. Sure the snow was beautiful and many songs have been composed about this kind of weather and have been popular hit tunes over the years. However, when you have to get a shovel and dig and struggle to get to your car and then work like the devil to get it out of its parking place, it's certainly no fun. We had this experience and even fell backwards in a snowdrift to the amusement of some bystanders. All we can say is Nuts—it's not a "Winter Wonderland" in our book.

WOMEN PAST 21 WITH BLADDER IRRITATION

After 21, common Kidney or Bladder Irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from headaches, backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drugists. Feel better fast.

Sheinwold On Bridge

Best Play Depends
On Where You Live

By Alfred Sheinwold
National Men's Team Champion

The best way to play a bridge hand may depend on where you live. Almost any play is safe in the United States, Great Britain, and the Scandinavian countries, but you have to watch your step in countries with a Latin tradition.

Q 10 9 6 4 3 2
A 4 3
A
North East South West
1 1 1 1
2 Pass 4 All Pass
Opening lead — J

Suppose you are South. You allow West to win the first trick with the jack of diamonds. He continues the suit, and East wins. East leads a third high diamond through you.

If you think that East has the king of hearts, you can ruff high. West will over-ruff as the cards lie, and you will eventually lose a spade trick. Your partner will say that you should have made the contract, because that is the nature of partners in all countries, but you can probably prove that your line of play was not really terrible.

The best line of play is to discard a spade on the third diamond. You win the next trick and stake the contract on a finesse through West for the king of hearts. This succeeds, and you may make your contract. No partner has ever been known to complain when you make your contract.

PLAY TO AVOID

A third line of play must be avoided in hot-blooded countries. You get off to a good start by discarding a spade on the third diamond. You win the next trick and lead the queen of hearts through West.

When West plays a low heart, you go into a long stew. You think deeply and look suspiciously at both opponents. Finally, you play dummy's ace of trumps, hoping to catch the singleton king.

The king of hearts does not fall, but you may if your partner is a vigorous type. After a play of this kind in a Latin country your best procedure is to keep moving. A moving target is harder to hit.

Don't play for a singleton king when you are missing two small cards in addition to the king. It's against percentage and unfair to your insurance company.

DAILY QUESTION

As dealer you hold: Spade K 9 3, Heart Q 10, 9 6 4 3 2, Diamond 4 3, Club A. What do you say?

Answer: Pass. The hand is not quite worth an opening bid of one heart and is far too good for an opening bid of three hearts. Pass first and show your strength, if possible, by bidding later.

PROCLAMATION

WHEREAS January 21, 1965 is the Golden Anniversary of the founding of Kiwanis International,

AND, WHEREAS achievement of this milestone represents more than the completion of fifty calendar years, but is, in truth, the golden anniversary of community services,

And, WHEREAS the men of Kiwanis have contributed unselfishly to the good of this community, aided in their work by the citizens, I, therefore, call upon the citizens to join me in honoring the Kiwanians of Greencastle, as those Kiwanians have honored us in countless ways throughout the years, and I declare this to be Kiwanis Golden Anniversary Week in Greencastle, urging each and every citizen to join me in wishing this organization of our fellow citizens a happy birthday and many more to come in the years that lie ahead.

Mr. and Mrs. James Fidler, Martinsville, Route 1, a boy, Sunday.

John Loudermilk, 211 North Vine Street, has returned home from Mission, Texas.

Happier Homes

HDC Met Jan. 12th

The Happier Homes Home Demonstration Club met Tuesday, Jan. 12 at the home of Mrs. Lema Wilson, with Mrs. Elizabeth Flint as Co-hostess.

The meeting was opened by the Vice-President, Mrs. Florence Bell, with the flag salute and the club creed repeated in unison.

The lesson "The Well Adjusted Child" was given by Mrs. Dolores Hughes. She stressed three kinds of controls: 1. Adult Control—parents who are very dominating and believe they must "break the child's will," 2. Child Control—very indulgent parents who allow the child to do whatever he pleases, and 3. Democratic Control—parents who are considerate and understanding and believe the child should share in making family plans, in responsibilities, and in privileges, according to his needs and abilities. Parents who remember that the most important thing in discipline is the affectionate relationship between parents and children, train the children to be responsible citizens who can think and act for themselves and consider the rights of others.

Delicious refreshments were served and a social hour followed. Prizes were won by Mrs. Helen Johnston and Mrs. Lorraine Garrett.

Baptist Church

Met Jan. 12th

The Missionary Society of the First Baptist Church met at the home of Mrs. Louise Pershing at 7:30 Jan. 12th.

The meeting was opened with Mrs. Betty Aker leading the group in singing of the theme song. Mrs. Mayme Leslie conducted the meeting in absence of the president, Mrs. Flossie Rowings, who is recuperating from surgery. All wish her a speedy recovery.

Mrs. Nicol gave the devotions and Mrs. Louise Pershing and Mrs. Elenora Walton gave the Love Gift program.

The Book of the Month is Acts. Roll call next meeting will be answered by giving the number of chapters read.

The program was the 3rd and 4th chapters of the study book "American Baptist With Spanish Accent" given by Mrs. Mayme Leslie. This was on "Work and Witness." The young church is usually a witnessing church whose energies are spent in sharing its new found concepts and trusts with all who will hear. This is especially true of the Spanish American church. The peoples joy in the liberating power of the gospel is a treasure to be shared and thus a mission is established at the beginning of the history of their congregation. Most concepts are very earnest, they take Jesus Christ at His word and the Great Commission is for them a command to be obeyed. More will be learned from the next two chapters to be presented by Mrs. Nicol in the February meeting.

Delicious refreshments were served by Mrs. Louise Pershing and co-hostess, Mrs. Elizabeth Murphy.

Mrs. Seller Hostess

To Needlecraft Club

The Needlecraft Club met with Mrs. Elmer Seller on Friday afternoon for a dessert luncheon and club meeting. In the absence of other officers, Mrs. Robert Sweeney, treasurer, presided. The meeting opened with the collect, followed by the salute to the flag and the club song. The usual business session was held.

A pretty installation service was conducted by Mrs. Pease. The four officers installed were: president, Mrs. E. R. Seller; vice-president, Mrs. Donald Pitts; secretary, Miss Carrie Pierce, treasurer, Mrs. Robert Sweeney. Mrs. Pease presented the president with a beautiful small fifty star flag to be used at each club meeting. A gift was given to each officer by Mrs. Pease.

As the new year starts, each member paid her dues while the secretary called the roll. All look forward to a successful

West Floyd

Club Met

West Floyd Home Economics club met at the home of Mrs. Maurice Bryan Jan. 13 with eight members present.

The meeting was opened by the president, Ethel Eggers with the thought of the month and the salute to the Flags. The creed was repeated in unison.

Roll call was answered with words "I have trouble spelling." The secretary and treasurer's reports were given, they were

approved. The business of the meeting was discussed, all was approved.

It was decided to give money to buy tables and chairs, each member gave \$1.00 for this expense.

The lesson was given by Mrs. Dale Miller on child discipline.

The next meeting will be held at the home of Mrs. Dale St. John, February 10. The meeting closed with the club prayer. Mrs. Edith McKamey received the door prize.

Evansville Girl Is Junior Miss

FRANKFORT, UPI — Patricia Canon, 17 a student at Evansville Bosse High School was crowned "Indiana Junior Miss" in a state contest sponsored by the Junior Chamber of Commerce here Saturday night.

Miss Canon will represent Indiana in the national finals in Mobile, Ala., in March. She won a \$1,000 scholarship for the state victory.

It was the second championship in a row for Bosse High. Last year's winner was Julie Bickling from that school.

Gae Seeburgher of Marion County North Central High School of Indianapolis, was first runnerup; Pat Martin, Sheridan, second; Dianne Maxwell, Clinton Prairie, third, and Helen Eberly, South Bend, fourth.

Fire Hits Church

VINCENNES, Ind. UPI—The congregation of the Second Baptist Church planned today to rebuild its church which was destroyed by fire Friday night. Three firemen were injured fighting the \$40,000 blaze.

Dies In Cell

INDIANAPOLIS UPI — Jack Brinkman, 50, Indianapolis, was found dead in his cell at the Indianapolis city lockup Sunday, apparently of natural causes. Brinkman was jailed on a charge of being a disorderly person Saturday night.

S. Viet Leader Changes Cabinet

SAIGON UPI South Vietnamese Prime Minister Tran Van Houg today reshuffled his 75-day-old cabinet. He gave cabinet posts to four generals and removed two ministers who had drawn considerable criticism Buddhist activists.

One of the generals taken into the cabinet was Ngpyen Cao Ky, commander of the South Vietnamese air force. He was

CANADA TO HONOR LATE U. S. PRESIDENT—A member of the Canadian Mines Department announced in Ottawa, Ont., that a 14,000-foot mountain (top left) in the St. Elias range near the Yukon, Alaska, border (see map) will be named for the late president of the United States, John F. Kennedy. The photo shows the 1935 National Geographic Society Yukon expedition resting on Lowell Glacier, more than a vertical mile below the mountain. Photo copyrighted by National Geographic Society.

named minister of youth and sports, a potentially sensitive job that involves relations with Viet Nam's restless students. When new, the ferries cost \$240,000 each.

High And Low

NEW YORK UPI — The lowest temperature reported to the Weather Bureau this morning, excluding Alaska and Hawaii, was 13 below zero at St. Johnsbury, Vt., and Lebanon, N. H. The highest reported Sunday was 88 degrees at Culver City, San Diego County Airport, Point Mugu and Los Alamitos, all in California.

O.E.S. Notice

Rebekah Notice

Fillmore A. plegate Lodge No. 155, Wednesday evening, 7:30 P. & A.M. Work in E. A. Degree. Visitors welcome.

Franklin Raines, W.M.

Turns Down Offer

NEW YORK UPI — The city's Department of Purchase has turned down the offer of Mark Powder, 15, to buy three surplus ferry boats for \$14.35. He said he wanted them to convey him and classmates from Staten Island to their high school in Manhattan but he could not afford more because he planned to equip them with television and deck chairs.

The city decided equipment dealer Albert Heller's bid of \$80,000 was more realistic.

M-W Is Sending New Catalogs

Montgomery Ward this week is starting to send its 130,000-item spring and summer general catalog to more than 7,000,000 customer families—one out of every eight families living in the United States. More than 5,000,000 of these families—70 per cent of those receiving the catalog—living in major cities.

"The catalog business is big business today, and continues to

grow. Ward's sales through catalogs in 1964," according to C. M. Norris, manager of the local Montgomery Ward store, "exceeded \$500,000,000 for the biggest sales year in the 93-year history of Montgomery Ward, the oldest catalog merchandising organization in the world.

"Aimed as a program of something for everybody, the new Montgomery Ward catalog is compact, yet provides for the interest of suburb and city families as well as those of the farm community," Mr. Norris said.

Edward B. Moylan, Jr., Miami, Florida, President of Kiwanis International, points to some of the thousands of "blank checks of community service" which Kiwanis clubs will fill in and present to the mayors of their communities on January 21 to mark the Golden Anniversary of Kiwanis International.

YOU'RE TELLING ME!

By WILLIAM RITT
Central Press Writer

MOTOR CAR engines can be modified to perform just as well on ammonia as on gasoline when used as a fuel, Detroit engineers report. Wonder if that's just what our old jalopy needs to revive it?

Scientists, we read, are still probing for the causes of fatigue. Shucks! The answer's easy—too much work.

See where an oldster claims his long life of good health is due strictly to fresh air and pipe smoking. Never knew the two went together!

The Republican gravitation to Ray C. Bliss of Ohio for the national chairmanship is a logical development, declares Aitch Kay, because the GOP hasn't

had anything like that since Ike.

Most Eskimos never even saw, much less lived in, igloos—Factographs. That puts the chill on another long-held illusion of our.

Professional monkey catchers, we read, are hired by communities in India when the little pests become too numerous. Sounds like a tree-mendous task.

The same judge who granted a Los Angeles couple their first divorce, performed a second marriage ceremony for them, and now has granted them their second divorce. If they should remarry again, an appropriate wedding march might be "The Third Man Theme."

For the young, the old, the tradesmen, the sportsman the handyman, businessman and homemaker, the "Big Book" presents the conventional, the staple, the unusual, the big and the small in 1,278 profusely and colorful illustrated pages.

From Alphabet blocks and Abrasive wheels to Zig-Zaggers and Zithers, from a 29c piece of hardware to a \$1,090 diamond ring set, it offers the customer more than 130,000 merchandise items through the store's catalog order desk.

While relaxing in armchair comfort, customers can pick up the phone and order the newest, exclusive fashions from Alice Damergue, Jacques Heim and Simonetta of Paris, from Deirdre of Dublin, Aponte of Rome and from Pucci of Florence. Swim suits by Gustave Tassell of California, reptile shoes and handbags by the Edelmans of New York are part of the "Big Book's" fashion sections, and the bride-to-be may even order her wedding gown designed by the famous Michael Paul of Italy.

With the independent businessman, group treasurer or family financial expert mind, the new catalog of 1965 has an electric adding machine that will make family bookkeeping a routine task. This handy little machine, equipped with a two-color ribbon, can add, subtract and multiply, give sub-totals and is simple enough for a youngster to operate. For the family financial watchdog, a free, 16-piece Family Budget Organizer is included.

New washable slacks are being introduced that need no pressing. A real timesaver for Mom and a welcome addition to the bachelor's wardrobe, the slacks come in belt or beltless styles.

What's new for music lovers? The greatest yet. They now can have their favorite music in their cars or on their boats with the most exciting additions to the auto accessory line in years—a 45 rpm record changer and a stereo tape player designed to fit neatly below the dashboard. Just imagine your next auto trip with all your special music selections—and no commercials or station breaks.

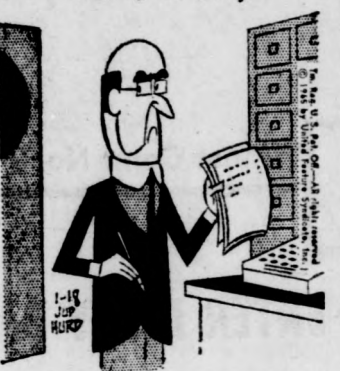

For the auto traveler's comfort plus added protection against whiplash injury, the catalog introduces a foam-filled luxury head rest at a price of 6.98.

For the family with everything, a fiber glass reinforced plastic steam is bound to arouse interest, and if steam bath lovers like to travel and take their own steam with them, there is a portable model. How's that for comfort?

Sports and outdoor recreation activities are playing a large and larger part in our American way of life, and Ward's "Big Book" keeps right up to date and even

HEALTH CAPSULES

by Michael A. Petti, M.D.
WHAT IS THE LEADING CAUSE OF DEATH IN MALES AGE 15 TO 24?

ACCIDENTS. ALMOST HALF OF THE MALES IN THIS GROUP ARE INJURED ANNUALLY. NEXT LEADING CAUSES ARE CANCER, HOMICIDE, AND SUICIDE. TOMORROW: INSULIN.

Health Capsules gives helpful information. It is not intended to be a diagnostic nature.

KNOWN TOO MUCH?—New York authorities are looking for Nancy Sue Shelton (above), missing three months following her appearance before a grand jury investigating dope smuggling. Federal authorities fear Miss Shelton, 25, may have been murdered because she knew too much.

Speaking of YOUR HEALTH...

By LESTER L. COLEMAN, M.D.

Let's Discuss Sleeping Pills

Q: What is meant by the "sleeping pill menace?"

A: In recent years the abuse and overuse of sleeping pills has led to a tremendous increase in addition to sleeping pills of the barbiturate group.

Accidental deaths and suicides attributed to these drugs have reached a level that has aroused great concern among physicians and public health officials.

It is estimated that more than five billion of these capsules are taken each year in America alone.

It is estimated, too, that more than 25 per cent of poisonings requiring hospitalization are caused by overdoses of barbiturates.

Barbiturates are not the answer to peace of mind, security, freedom from anxiety and release from all worldly cares.

Barbiturates can be a menace. Q: Is there any weaker kind of barbiturate which can be safely taken for sleep when necessary?

A: There are perhaps 75 different name brands of barbiturates. All have a basically similar chemical composition, with slight variations. Some may take effect more rapidly. Others may have a longer acting effect.

Q: Are sleeping pills safe? A: When drugs are prescribed and taken in moderation according to direction, they are usually safe.

Allergic reactions can occur with any kind of drug. If there is an unusual response, the drug should be discontinued until the physician is consulted.

The tolerance to barbiturates varies with every individual.

When sleeping pills are taken regularly for a long time, it takes larger and larger quantities to produce the desired effect.

Q: How does one become addicted to barbiturates?

A: Barbiturate addiction can be a real threat when the drug is taken indiscriminately in larger and larger quantities for a prolonged period of time.

People who are emotionally unstable are particularly vulnerable to dependence and addiction. It is for this reason that doctors carefully limit quantity and dosage.

Q: Is addiction to barbiturates as serious as addiction to drugs like heroin and morphine?

A: It is believed by some physicians and public health officials that barbiturate addiction can produce consequences as serious as addiction to heroin or morphine.

When barbiturates are withdrawn from an addict, the dangers can be even greater than with a withdrawal from heroin.

Q: Why are barbiturates prescribed if they are potentially dangerous?

A: These drugs are valuable when they are taken exactly as prescribed by physicians for very specific reasons. Unfortunately, some patients continue to use the drug long after the original prescription has expired.

It is particularly unfortunate that barbiturates can be purchased without a prescription through unscrupulous channels.

When the immediate need for barbiturates has passed, the drug must be discontinued.

While Dr. Coleman cannot undertake to answer individual letters, he will use readers' questions in his column whenever possible and when they are of general interest. Address your letters to Dr. Coleman in care of this newspaper.

Thant Appeals To UN Members

UNITED NATIONS, N. Y. UPI — Secretary General Thant planned to appeal to the United Nations membership today to help solve the financial crisis that is forcing the organization to borrow money to meet its bills.

The General Assembly, reconvening this afternoon from an extended Christmas recess, was under instructions from Thant to make its own decision on how to treat Russia's refusal to pay its U. N. debts until it is guaranteed its vote.

Thant said Friday night that the Soviets are willing to make a payment, but only after they get the right to vote in the General Assembly. The United States contends the Soviet arrears will automatically disqualify the Russians once the assembly abandons its no-voting moratorium.

The Soviets, he said, referred to voting rights as "normal procedure." It was not indicated how much of their \$59 million debt they were willing to pay. But restoration of voting rights requires a minimum of about \$20 million.

"The crux of the problem is whether the chicken comes first or the egg comes first," he said, "whether there should be normal procedures first and then voluntary contributions, vice versa."

In the meantime, he said, the United Nations was in such bad financial shape that it would have to borrow money to meet current expenses. He did not say where the loan would come from, but in a past financial emergency the U.N. Children's Fund (UNICEF) has advanced money.

Seek Wedge In West's Alliance

MOSCOW UPI—Diplomatic observers predicted today that next week's conference of Communist leaders in Warsaw will seek new means of driving a wedge into the Western Alliance.

The Kremlin announced Friday that top Reds from Russia, Hungary, Czechoslovakia, Pol-

and, East Germany, Romania and Bulgaria will assemble in the Polish capital Tuesday for their first formal meeting since ex-Premier Nikita Khrushchev was deposed in October.

Russia's new premier, Alexei Kasygin, said a week ago a Communist conference would be "expedient" in view of NATO discussions on the American-proposed nuclear navy MLF.

The Russians oppose the MLF, and they are aware that many NATO members—especially France—also oppose the project.

Observers here predicted next week's meeting will produce a new propaganda barrage against NATO nuclear projects in an

attempt to exploit allied differences.

Lucky Number

DONCASTER, England UPI —A baby boy was born Wednesday to Mr. and Mrs. Albert Loseby—their third child to be born on Jan. 13.

Mrs. Loseby gave birth to a daughter on Jan. 13, 1961, another daughter on Jan. 13, 1963, and their first son on Jan. 13 this year.

Snowstorm Adds Ulcers To Hoosier Hysteria

INDIANAPOLIS UPI — A pair of king-size weekend upsets and the weatherman's knockout punch handed Indiana's high school basketball elite a double whammy today.

Which is another way of saying that anybody brave enough to look for "the" team to beat in the state tourney should either hurry to the nearest psychiatrist or pick blind-folded from a hat.

The blinding weekend snowstorm did more than provide the usual ulcers for Hoosierdom's hard-bodded faithful. Not only did it result in a doctored, topsy-turvy schedule, with many key games on the postponed list, but it also came up with the two biggest upsets of the season-first-time losses to Anderson and Evansville Rex Mundi.

Indianapolis Attacks, unrated and beaten half a dozen times, cut down top-ranked Anderson at the Butler Fieldhouse here Saturday, 85-73. Evansville Harrison, kicked by Rex Mundi with ridiculous ease in the Pocket City holiday tourney the score was 85-53, knocked the No. 5 Monarchs on their ear, 79-67.

The amazing form reversals snapped two 1-game winning streaks.

Anderson's North Central Conference Indians looked like the classy bunch they were touted from the very start against Attacks, taking a 30-18 lead at the first stop, but the Flying Tigers outscored the Indians in the next three stanzas, led 64-60 with one period to go and won going away despite the fact the losers had five players in double figures.

Forward Jim Bailey, a 6-4 hotshot, led Attacks with 26 points while Steve Barnett paced Anderson with 18.

The Deep South, not content with a drifting snowstorm, came up with an even bigger surprise when Harrison took Rex Mundi, last year's downstate tourney finalist.

Ron Overton, with 25 points, lit the fuse to herald Rex Mundi's downfall, giving both clubs 11-1 season records. Harrison made the last six points with 1:30 to go.

That left only Harrison and Washington with perfect records in the Southern Conference, and Indianapolis Manual with 11 victories and Washington with 10 the sole survivors among the state's major unbeaten. The smalltown elite is led by 15-game winner New Ross.

Both Manual and Washington sat out post-ponements Saturday night — Manual against tough city foe Tech and Washington against SIAC foe Princeton. The latter was rescheduled for this Saturday.

A. J. Foyt In Hospital

RIVERSIDE, Calif. UPI A. J. Foyt, Indianapolis "500" champion, was hospitalized during the running of the third Riverside 500 stock car road race, won by Dan Gurney, Costa Mesa, California.

Foyt was injured when his car flipped on the 172nd lap of the 185-lap race at a speed of 150 mph.

He was taken to Riverside Community Hospital and underwent X-rays. He later was placed in the intensive care unit.

Night supervisor Miss J. Payne said Foyt suffered a foot injury but was placed in the intensive care unit for observation by a nurse who remains in the unit all night.

She said his condition was listed as satisfactory and he was resting quietly. He was taken to the hospital after complaining of chest pains but Miss Payne said the X-rays showed no indication of any chest injuries.

Brave Owners Strike Snag

MILWAUKEE UPI—The efforts of the owners of the Milwaukee Braves to move the National League team's franchise to Atlanta struck another snag Sunday. This time it was Arthur Allyn, owner of the Chicago White Sox of the American League.

Saying the proposed move was "without justification," Allyn told Lou Chapman of the Milwaukee Sentinel he would seek to marshall support of other American League owners to ask baseball Commissioner Ford Frick to nullify the shift.

The National League voted last fall to okay the move for 1966, but ordered the Braves to Milwaukee in accordance with their contract for use of County Stadium.

"I have asked the American League to discuss the Braves question at our meeting in New York Feb. 1 with the hope of requesting the commissioner to veto the move," Allyn said. He said he had approached Frick on the subject at recent major league meetings in Phoenix and Houston, but had received little response.

PGA Tour Moved To Pebble Beach

SAN DIEGO, Calif. UPI — The 1965 PGA golf tour moved on to Pebble Beach and the Bing Crosby National Pro Amateur golf championships today — but it's doubtful that any of the shot-makers will use the West Elsie recipe for victory. He tried to finish second and wound up in first place in the \$35,000 San Diego Open golf tournament Sunday.

Ellis defeated Bill Casper, the second-leading money-winner of all time, in a sudden-death play-off, for first place money of \$4,850.

The victory came with a six-foot birdie putt on the first extra hole. But to get there, the skinny lad from West Caldwell, N. J., had to birdie the 17th and 18th also.

"When I go to 17 and heard Casper had a birdie there and was two shots ahead, I didn't think I had a chance," said Ellis. "Even after I birdied the 17th with a 15-footer, I thought the best I could do was finish second."

Goalie Returns To Big Time

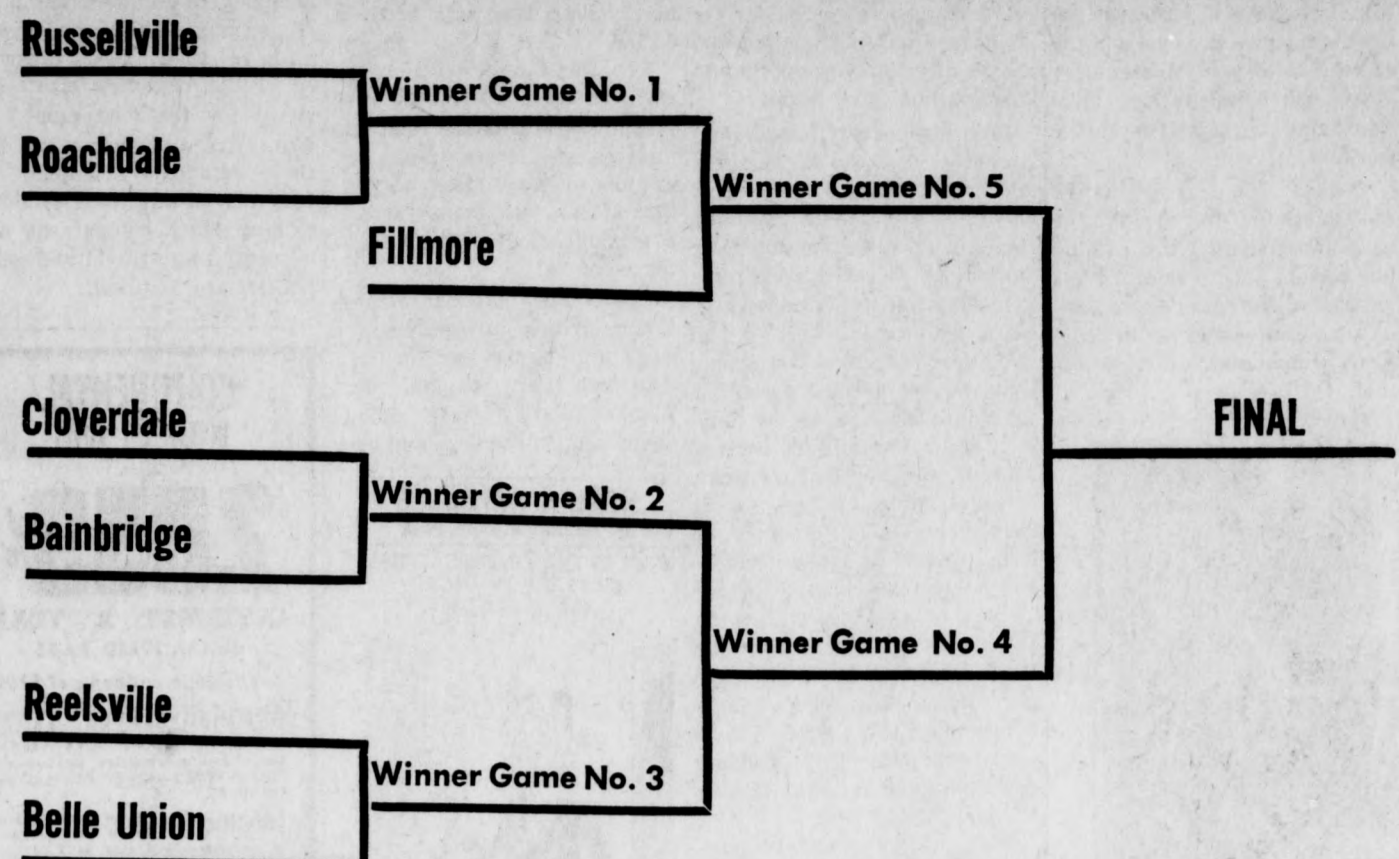

By United Press International
Goalie Gump Worsley's unexpected return to the big time may mean the sidelining of a Vezina Trophy winner.

Worsley, called up by Montreal from Quebec to replace goal-riddled Charlie Hodge, reacted well to this opportunity for the second straight game Sunday night as the Canadiens defeated the Chicago Black Hawks, 4-2, to take over first place in the National Hockey League.

The Gumper allowed the Hawks a 2-1 lead early in the third period and stalled Chicago the rest of the way as his teammates beat Dennis De Jorjy for three late goals.

Claude Provost scored the first and last goals for Montreal while Claude La Rose and Leon Rochefort tallied the other two markers.

1965 PUTNAM COUNTY TOURNAMENT PAIRINGS

FANS! ENTER DAILY BANNER GUESSING CONTEST

The Daily Banner is offering a first prize of \$15 and a second prize of \$10 to the fans who guess the closest total of points for the county tourney and who come nearest to picking the exact winners. There is no gimmick to this contest. The rules are simple: 1. Only one entry by any fan. 2. Your entry must be in The Banner Office by noon Wednesday, Jan. 20. 3. Just fill out the above Banner Chart with your selection of winners and total points and sign name to same.

NCAA Ends Three Day Meeting Saturday

FORT LAUDERDALE, Fla., UPI — College football fans can forget about the punter who stands like a dummy waiting for the whistle to blow so the coach can get in the defensive team.

There is a new substitution rule to eliminate all the different stunts that happened last year to stop the clock. In fact, stopping the clock won't do the coach any good from now on.

The National Collegiate Athletic Association football rules committee wound up a three-day meeting here Saturday by passing a "two-o'clock" substitution rule.

The new rule, unlike last year's two major proposals and

year's allowing unlimited substitution only when the clock was stopped, lets coaches put in a new team when he needs to most — when the ball changes hands and between periods.

The new rule, like the old, allows two wild card substitutions at any time during the game.

Last year, coaches would tell their punting teams to take too much time in the huddle on fourth down purposely in order to stop the clock with a penalty and get in the defense before the ball was snapped.

The committee earlier consid-

turned down both. It voted unanimously against a proposal to allow a team which is behind the option of kicking or receiving after scores and also against a move to allow a player to come to within five yards of the sideline to talk to his coach during timeouts.

The committee, during its meeting, approved proposal to raise the kicking tee from one to two inches.

It also stiffened the "brutality" rule under which a player previously could not "intentionally butt or ram another about the head, neck or shoulders with his helmet." The rule was expanded to include the whole body.

Willie Mays To Get \$105,000

SAN FRANCISCO UPI — Willie Mays, who expects to

get in four or five more years of baseball, will collect another \$105,000 this season for playing with the San Francisco Giants.

The famed center fielder came to terms with the club on Saturday for the same salary that he pulled in last year as baseball's highest-paid active performer.

Mickey Mantle of the New York Yankees is regarded as the only other active player who is in the six figure bracket. The latter is believed to collect \$100,000 annually.

Dies Sunday

WILT MUM ON \$375,000 DEAL—Refusing to talk to newsmen after he was sold by the San Francisco Warriors to the Philadelphia 76ers in a \$375,000 deal, all-time basketball scoring king Wilt (The Stilt) Chamberlain checks out of his hotel in Chicago. The 76ers gave up three players and a reported \$300,000 in cash for Chamberlain.

Two Races On In The NBA

There are two races going on in the National Basketball Association, one for the Western Division title and the other concerning just the Boston Celtics. The St. Louis Hawks beat Los Angeles 118-105 behind a 34-point effort by Bob Pettit Sunday afternoon to move into a first place tie with the Lakers in the Western Division. Each team now has a 24-20 record.

Boston, on the other hand, is in a league of its won and streaked to its 14th straight victory in the only other game played Sunday with a 101-98 decision over the Cincinnati Royals. The Celtics boosted their season mark to 39-7 and they lead the runnerup Royals by eight games in the Eastern Division.

The Celtics, who have won 21 of their last 22 games, are only three wins short of their league record for consecutive victories set in 1959.

St. Louis took a 56-46 half-time lead over Los Angeles, but the Lakers rallied in the third period. After Los Angeles moved to a one-point lead, Len Wilkens scored six straight points to put the Hawks ahead for good. Elgin Baylor was high scorer for the Lakers with 26 points.

Sam Jones scored 11 of his 30 points in the final quarter as the Celtics went on a 21-6 scoring tear to break the game open. Oscar Robertson and Jack Twyman had 23 points each for Cincinnati.

Rochester Downs Clippers, 9 to 1

By United Press International

The Rochester Americans of the American Hockey League have proven once again that you can't keep the good teams down for long.

The Americans, who lead the AHL's Western Division, hit a mild slump last week when they ended the jinx Sunday night by wallowing. The Baltimore Clippers 9-1 to maintain their 10 point lead in the division race Rochester jumped off to a 4-0 lead in the first period and added two more in the second period before Baltimore's Sandy

McGregor got the Clippers on the scoreboard with a tally at 7:35 of the final stanza.

Ed Litnberger and Norman Armstrong each scored twice for the Americans. In other Sunday action, the Quebec Aces increased their lead in the Eastern Division by blanking the Providence Reds, 4-0, the Springfield Indians topped the Cleveland Barons, 5-1, and the Buffalo Bisons played the Pittsburgh Hornets to a 4-4 tie.

Keke Mortson got the Aces started to their 29th triumph with a goal at 3:24 of the second period and before the game was over three other players dented the net for Quebec.

Springfield got three last period goals to down Cleveland. Jim Anderson scored two goals for the Indians.

A third period goal by Pittsburgh's Louis Marcon tied the score with Buffalo and the game ended in a deadlock when neither team could register a tally in the overtime period. Bill Dea tallied twice for the Bisons.

shot Robinson. Eminence held their own as Willett and Buis dropped in the buckets. As the Eels held a one point margin over the Cards, 82-81, Woods was fouled again by high scoring Bel Willett. Woods made good his free throw and the

The Daily Banner, Greencastle, Indiana
Monday, January 18, 1965

score stood tied in the closing seconds of the overtime.

With seven seconds remaining, the ball was awarded to the Cards. The ball was passed in to Evans who drove the length of the floor where he popped in a beautiful ten-foot jumper. As the buzzer sounded the score board tallied in favor of the Cards, 84-82.

GOPOLICY MAKERS—These five Republican leaders—one former two-term president and four unsuccessful candidates—are on the new 22-man Republican Co-ordinating

Committee, which aims at unified leadership and policy. The other members will be 11 congressional leaders, five members of GOP Governors Association, plus national chairman.

The Tiger of the year was just named Car of the Year by Motor Trend.

If that isn't enough of a hint, try Quick Wide-Track. (This is their year.) Or Turbo Hydra-Matic, the new transmission you can order that does away with roaring between shifts. Coupled with the quicker engines for the '65 Pontiac, it saves the roaring for whenever you need it. When you don't, the extra-potent engines let you just loaf along. And this loafing gives you the kind of economy you wouldn't expect from a looker like the '65 Pontiac. See your Pontiac dealer. He'll show you all 32 Pontiacs that are the "Car of the Year." They're the buy of the year, too.

SEE THE NEW BONNEVILLE, STAR CHIEF, GRAND PRIX, CATALINA, 2+2, LEMANS, GTO AND TEMPEST AT YOUR AUTHORIZED PONTIAC DEALER.

Resort Closed

SAIGON UPI — The mountain resort town of Dalat was shut down today in a backwash of tension generated by anti-government demonstrations Saturday when police gunfire wounded four persons.

All schools, the main market, and most shops in the city stayed shuttered while student leaders met with government and religious officials in the city.

Hits Pocketbook

WASHINGTON UPI — The Internal Revenue Service has tightened its grip on the taxpayer's pocketbook.

International Business Machines (IBM) announced Sunday it is installing one of its most powerful new computers in the IRS bureau here. IBM said the machines would be absorb millions of figures per second.

Branigin Makes Key Appointment

INDIANAPOLIS UPI — Governor Branigin has been in office less than a week but the manpower shape of his administration already is becoming clear with several key appointments made.

Branigin announced some of the appointments in the weeks between his Nov. 3 election and his inauguration Monday. He made others since. More will follow as the terms of members of various boards and commissions expire.

Some appointments went to holdovers from the administration of former Gov. Matthew Welsh but Branigin brought in some new faces and there will be more.

John Hatchett of Bloomington, who served Welsh as both budget director and later as commissioner of the state Department of Administration, was one of the first men Branigin named. He remained in the Department of Administration post.

Another early reappointment announced was that of Maj. Gen. John Anderson of Shelbyville as state adjutant general.

Friday, Branigin announced the reappointment of Lewis F. Nicolini of Mishawaka as director of the Indiana Employment Security Division.

Another familiar face, but in a new job, is that of John Mitchell of Flat Rock. Branigin named him Tuesday to replace Donald Foltz of Clinton as director of the state Department of Conservation.

Branigin also announced Mitchell will remain on an acting basis in his old post of executive secretary of the Indiana Flood Control and Water Resources Commission.

Lock Up Cactus

LONDON UPI — Caretakers at Kew Gardens said today they have locked up all their cactus plants after learning that London teen-agers were stealing them at night and using a cactus extract, mescaline, to produce hallucinations at parties.

No Comment On Saigon Reports

WASHINGTON UPI — U. S. officials, in an atmosphere of official silence on reports of raids against North Vietnamese targets, say no American Navy

or air units have "physically taken part" in such attacks.

Both the State Department and the Defense Department had no comment on reports from Saigon Friday that Americans had supported South Vietnamese planes and ships in attacks on Communist military targets in North Viet Nam.

But while officials denied any U. S. "cover" participation, they refused at the same time to confirm whether any raids had been made by the South Vietnamese.

Secretary of State Dean Rusk was asked about the Saigon re-

ports Friday when he emerged from a closed meeting of the Senate Foreign Relations Committee. He had given senators a further briefing on Viet Nam and was rushing to catch a plane for President Johnson's ranch in Texas.

Russ Make Stipulations

UNITED NATIONS, N. Y. UPI—Secretary General Thant said Friday night the Soviet Union has promised to pay on its U.N. debt only after it gets the right to vote in the General Assembly.

Thant said the Russians told him they would be among the first to make voluntary contributions to a U.N. "rescue fund" but will do so only "once normal procedures were established."

This was a reference to the threatened loss of the Soviet General Assembly vote, a penalty for nations more than two years in arrears. The United States insists that the provision be applied the minute a vote is taken in the assembly. The confrontation has been avoided since Dec. 1 simply by avoiding all voting.

RUPTURE TRUSS FITTER COMING

Give yourself comfort and relief without an old-fashioned type TRUSS. If your rupture comes out when your truss is off, then you must be wearing the wrong kind. See the NEW revolutionary hernia control plan. It is a marvelous invention for rupture treatment. Prevents rupture from becoming larger. Holds like your hand. Will control hernia. Use when bathing, get rid of rupture trouble as quickly as possible. Has NO BELTS to cut—NO STRAPS to bind, which may cause numbness of the legs. No bulbs to push in and enlarge. You owe it to yourself to try the Sutherland. For many types of rupture or hernia. If you desire results which you have never thought possible; then do not overlook this opportunity. Come in on date below. Free consultation.

IF MAN YEARS ARE 70, WHY JEOPARDIZE BY SURGERY WHEN YOU CAN USE THIS PLAN SO WELL, SEE MR. POWELL, AT THE HOTEL COMMERCIAL, ON THURSDAY, JAN. 21st. 10 A.M. TO 2 P.M. MY 22nd YEAR.

KEEPING CURRENT with Kathy Kilowatt

ZOO'S WHO?

Ever have trouble getting the children to drink milk? Try this: Put a different animal decal on the bottom of each glass. Each child guesses which animal he has and hurries to drink his milk to see the animal surprise. Try rewarding those who guess correctly with an extra cookie!

ALARM CLOCK:

Small device used to wake up people who have no children!

TRIPLE TRIMMER

No time for an elaborate exercise routine? Here's one that solves three problems at once—whittles waist, hips and thighs! Lie on left side, upper part of body propped up by left forearm and right hand. Trying to keep upper part of body straight, tighten hip and thigh muscles and roll forward so that stomach is almost flat on the floor. Roll back as far as possible. Return to side position. Do five times. Then, repeat on right side. Work up to 30 each side.

LATEST DIRT

Believe it or not, science has developed synthetic dirt! Most of us haven't noticed any shortage of the real McCoy. No health claims are made for this product. Seems it was created to discover why real dirt sticks to walls and ceilings. Any woman could tell them why. Dirt clings to the ceiling to get away from all the dirt on the floor! Incidentally, there'll be less dirt—real or synthetic—in all parts of your house if you live electrically!

DIAMOND: Chunk of coal that made good under pressure.

WELCOME!

This Gold Medallion on a home says, "Welcome! Welcome to all the joys of total electric living!" Inside is a home that's fully equipped with flameless electric heating and appliances, full housepower wiring, and proper lighting. Wouldn't you like this special "Welcome" symbol on your home?

I'd like to hear your ideas, recipes, or household hints. Send them to Kathy Kilowatt, Plainfield, Indiana.

FRANK TALK

Thanks to franks you can whip up a tasty meal in a hurry without even denting the budget! A juicy frank on a steaming bun complete with all the trimmings is always a family favorite. Here are four other ways to fascinate them with franks:

- (1) Try heating franks in barbecue sauce and serving on buttered rice or noodles.
- (2) Bake franks on top of Mexican-style corn or canned baked beans.
- (3) Heat franks with sauerkraut.
- (4) Serve franks on toast and top with cheese sauce.

Take your choice, but for best results cook on a flameless electric range!
